

## A Love Written in the Stars

Selly Soetarso & Andre Antawirya

Raven Golf Club at Verrado - September 06, 2008

Most brides look forward to the day they will receive a ring for that very important finger on their left hand. Selly Soetarso was not one of those brides because of her tendency to lose rings. Instead of a ring, her groom-to-be Andre Antawirya presented her with a star pendant at the exact location where he first saw Selly and fell in love. The two ASU grads wed nine months later in an intimate garden themed ceremony at the Raven Golf Club at Verrado.
